Dear Scholarship Applicants,

The founder of the Levittown Soccer Club was a very special man, ***Luigi Pelini*** a professional soccer player in Europe. Unfortunately he passed away in 1998.

Mr. Pelini started the Levittown Soccer Club over 35 years ago. He held the first registration at Gardiners Avenue School and 35 kids signed up. He and his wife Donna bought uniforms, paid for referees, and made goal posts using plumbing pipes from their house.

He was very proud of this club and how it grew. In addition to starting the Levittown Soccer Club, he also coached many teams and was instrumental in establishing the NY Arrows, the first professional soccer team.

Education was very important to Mr. Pelini and he instilled that passion in all of his players. He worked very hard toward helping his players get scholarships. In his memory, we honor him with this Scholarship Award to say thank you for all the wonderful things he did and the lives he touched. There are no words that can describe Luigi. He was a great man and a great friend who you could talk to about anything. We miss him dearly and keep his memory alive and all he stood for by honoring him with this special scholarship.

Thank you,

Jim San Filippo
